Thank you for making Teacher's Appreciation week so special for all our teachers. We are grateful for the flowers, gifts, food, and notes.

Thank you to the Lubin Family for donating yummy tacos to the elementary class and catering a Mexican lunch to our teachers.

Thank you for coming to Children's Night. We were so proud of all the children who showed their best works. We hope you enjoyed the art display and watching the children at work. Thank you also for coming to the Elementary Science Fair. The children did an A+ job on their science experiments.

Most especially, thank you to all our parents for supporting our school in so many different ways. We are fortunate to have wonderful families in our school. We are grateful for your help in your child's success in school. If this is your last month at MCDC, be sure to stay in touch and visit our school throughout the years. Thank you for a great 2016!

THE JOYFUL GARDEN

Thank you to all the parents, students, and teachers for all your effort in helping make our garden beautiful. A special thank you to our 3rd grader, Luke Gordon, for leading the recycling project. He has been collecting all donated recyclables and dropping them at the recycling center. The money Luke collected was donated back to the garden. Hooray and thank you Luke for all your efforts!

Thank you to the Lo family for donating a grape tree and to all the families who helped us with our garden.
