A big brown bear stepped up.
"Hello!" he said, very loudly.

Two bees flew over.
"Hello! Hello!" they said, very busily.

Hello!

Along came a big red bird.
What did the bird say?
"Hello!" – very quickly.

Soon voices all over the tree
were saying, "Hello!"

Little voices on the leaves
said, "Hello!"

Squeaky voices on the branches
said, "Hello!"

Deep-down voices
among the roots
said, "Hello!"

Suddenly
a drop of rain fell
on the bear's nose.
Splash!

Raindrops fell all over the bear.
Splash! Splash! Splash!

Goodbye!

"Goodbye! Goodbye!"
said the two bees, very busily.
"Goodbye!" said the big red bird,
very quickly.

What did all the voices on the tree say?
What did the bear say, very loudly?
“Goodbye!”

Everyone had gone.
The tree stood quietly again.
"Hello, rain!" it said,
very, very quietly.
